**An overnight weekend camp
for grieving children (ages 6–12)**

Camp Chimaqua

Camp Chimaqua is an overnight weekend camp for grieving children ages 6–12. It will be held at Gretna Glen in Lebanon, PA, May 16–18, from Friday evening through Sunday afternoon.

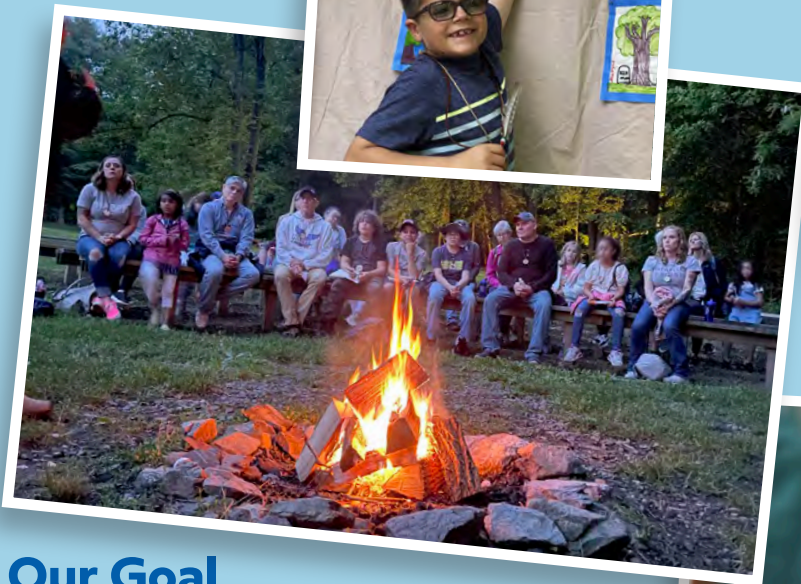

Registration Information

Registration is on a first-come, first-served basis. Children attend an assessment to ensure that camp will best meet their needs. Thanks to the generous support of the community, registration is \$25 and financial assistance is available.

Call the Pathways Center to request camp applications or visit www.pathwaysthroughgrief.org.

Applications must be received by April 18.

Registration fees are nonrefundable as of May 9.

Our Goal

Our focus is on helping children explore their feelings, strengthen coping skills and increase self-confidence through fun-filled activities and opportunities for small- and large-group sharing. This experience helps normalize children's grief responses as they get to know others who have also lost a loved one.

The Staff

The camp is staffed by professional counselors and specially-trained volunteers who are paired with each child for companionship, support and supervision all weekend. A camp nurse is available throughout the weekend.
